

## **CLEANER HEATING OIL FOR YOU**

We now deliver Heating Oil Plus™ — a state of the art, premium heating oil specially formulated to make your energy dollars more productive by helping to optimize the performance of your heating system.

Heating Oil Plus™ can help your system burn more cleanly, providing a safe, reliable heat source for you and your family. It's effective, environmentally smart, and can help boost heating efficiency!

# Consistent use of Heating Oil Plus™ can warm your home for less money by helping to:

- + Reduce fuel consumption
- + Allow your burner to operate at its best efficiency
- + Avoid untimely no heat situations
- + Extend the life of your heating system
